

About the Broadcast Committee...

This Committee was formed many years ago by a group of Christian Science churches in the North Texas area who wanted to pool their resources and expertise to communicate beyond their individual congregations.

The work we do is supported by churches, individuals, and other groups who share our enthusiasm for spreading a message of peace, hope, and healing to all mankind — starting right here in our own backyard.

Accordingly, we take advantage of many venues to make available the message of Christian Science. At various times we have aired **radio and TV programs**, placed books in public libraries, and placed ads in daily newspapers.

We publish informational pieces about local churches, such as this **directory**.

And we maintain a **website** where anyone can find up-to-date information about local broadcasts and other events.

If you would like to help with the work of this committee, please contact us to see how you can help.

If you would like to contribute financially to our work, you can do so at the website or by sending your contribution to the address shown on the cover.

Christian Science Broadcast Committee

Dallas/Fort Worth
Local Broadcasting

Christian Science Sentinel
Radio Edition
WRR 101.1 FM
Sunday, 8:00 to 8:30 AM
