## The Quest to Experience God

Come hear this free talk for the DFW-Metroplex community  
By Guilia Nesi

- Ever wonder if there is more to life than what you're experiencing?
- Have you investigated different spiritual practices and healing methods?
- Do you want more than to just hear about God?

**Thursday, May 31<sup>st</sup>; 7:30 PM**  
**Museum of Biblical Arts**  
**7500 Park Lane, Dallas, TX 75225**

Guilia has spent her entire career in the healthcare field. She is a former psychotherapist and is a practitioner and teacher of Christian Science. She's been on the faculty of Harvard Medical School's *Spirituality & Healing in Medicine* symposium, has managed a special project established to respond to the growing interest from healthcare professionals in Christian Science, and has lectured widely to both professional healthcare audiences and the general public.

Guilia enjoys talking with people about their spiritual journey and sharing the profound insights contained in *Science and Health with Key to the Scriptures* by Mary Baker Eddy. In her talk, she will explain how experiencing God brings healing to our lives and is possible for anyone, anytime, anywhere.
