An Hour of Gratitude

Sunday, November 19, 2023, at 5:00 PM

Second Church of Christ, Scientist

2112 Forest Park Boulevard, Fort Worth, TX 76110

We will:

- Hear the history of Thanksgiving Day
- Sing hymns of gratitude
- Give thanks
- Have a time of silence to pray for those in need around the world

Your role?

Consider ahead of time what you're grateful for. Could be:

- A specific blessing
 - Someone's kindness
 - A church activity
 - Evidence of grace in your life
 - An opportunity to bless someone else
- "Gratitude cards" will be collected and then shared anonymously.

All are welcome! There will be cookies and cider in the foyer following the program.

We'll happily accept contributions for the Tarrant Area Food Bank.
